## HISTORY AND BACKGROUND OF THE CORPORATE GROUP OF INSTITUTIONS (CGI)

Established in 2008 under the visionary leadership of Er. Sunil Kumar Gupta, the Corporate Group of Institutions (CGI) is a distinguished educational consortium operated by the Essarjee Education Society. CGI is committed to deliver top-tier professional education across multiple disciplines including Engineering and Technology, Management, Pharmaceutical Sciences, Nursing, Paramedical Sciences, and Ayurvedic Sciences.

Er. Sunil Kumar Gupta, as the founding Chairman, has steered CGI to prominence, positioning it as a premier institution known for excellence in technical, management, and health sciences education in Madhya Pradesh.

Located at the forefront of educational excellence in the state, CGI instills a sense of pride and empowerment in its students. Our institution encourages exploration and career development in their chosen fields, fostering entrepreneurship among graduates who aspire to become job creators.

Our campus provides an optimal learning environment with state-of-the-art facilities including modern amenities, an automated library, Wi-Fi-enabled campus, expansive lawns, separate hostels for male and female students, and a pollution-free atmosphere conducive to learning and personal growth.

## PRIZES WON BY OUR STUDENTS AT 11th BHOPAL SCIENCE FAIR (VIGYAN MELA)

Our students achieved remarkable success by securing 1<sup>st</sup>, 3<sup>rd</sup>, and consolation prizes at the 11<sup>th</sup> Bhopal Science Fair (Vigyan Mela), held from December 27<sup>th</sup> to 30<sup>th</sup>, 2024. The event was jointly organized by Vigyan Bharti Prant and the Madhya Pradesh Council of Science & Technology (MPCST).

## RESEARCH & INNOVATION

Innovation Cell in our institute is thus envisaged to network people, ideas, experience and resources to motivate the innovation community.

This cell helps to nurture the students' ideas and encourage them to bring up business proposals and also in getting funds for the project. The main aim of this Cell is thus, to create intuition in terms of creative design ideas in various fields of engineering in an aesthetic approach. Innovation Cell would assist students and encourage young talented minds by providing them perfect platform to excel in their area of interest by working together as teams and participate in various competitions to showcase their talents,
